

WINE LIST

The Wine Selection

Our list serves as a bridge between the modern Greek wine renaissance and the timeless elegance of the world's most iconic vineyards. From the volcanic soils of the Aegean islands to the cool-climate peaks of Macedonia and the historic vineyards of the Peloponnese, we celebrate the unique character of both indigenous and international varieties.

We prioritize wines with tension, saline minerality, and gastronomic depth. Whether you seek a crisp, sea-sprayed white, a delicate Provence rosé, or a complex red with Mediterranean soul, we invite you to explore these diverse styles.

To the perfect pour.
